VALUABLE TOOLS

GOVERNANCE TOOLKIT

ACHD's governance toolkit is a free member resource that supports district growth in areas such as community engagement, strategic planning and more.

CEO & BOARD EVALUATIONS

ACHD subsidizes the cost of annual Board self-assessments and CEO evaluations to assist members in identifying strengths and creating high-performing teams.

CEO ROUNDTABLE

ACHD hosts a monthly CEO Roundtable for all member district CEOs to connect and brainstorm issues facing their district.

BOARD CLERK ROUNDTABLE

ACHD hosts a Board Clerk Roundtable for all member district Board clerks to connect and discuss challenges, needs, and share solutions.

COMMUNICATIONS

Members have access to essential legislative and educational information through the monthly newsletter, The Advocate, our Call to Action and much more.

ADVOCACY

ACHD ensures healthcare districts are represented in the legislature on issues including access to care, community health, hospital infrastructure, governance & Brown Act, labor relations, public works, workers' compensation and more.

ACHD sponsored **SB 784**, which would have allowed all district hospitals to directly employ physicians. ACHD co-lead the coalition against, **SB 525**, which increased the health care worker, as defined, minimum wage to \$25 per hour over time.

ACHD was the lead supporter in the efforts to pass **AB 869**, which if signed, will provide relief for small, rural and district hospitals with regard to complying with the 2030 seismic mandate.

ACHD co-lead the coalition against **AB 1156**, which would have created a rebuttable workers' compensation presumption for hospital workers.

ACHD helped successfully stop or negotiated fixes for nearly **20 measures**, including **AB 1484** which without ACHD would have prevented district hospitals from utilizing

EDUCATION

CERTIFIED HEALTHCARE DISTRICT PROGRAM

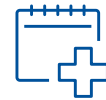

Certified Healthcare Districts have demonstrated compliance with a core set of standards in governance, accountability and transparency. Certification is complimentary for members, effective for three years and is an important way to show compliance with California's laws, regulations and best practice in local governance.

ACHD ANNUAL MEETING

Attendees learn strategies to navigate the changing environment of health care, network with other leaders and enhance their effectiveness.

The pre-conference Governance Day focuses on relevant governance topics and issue areas.

WEBINAR EDUCATION SERIES

ACHD hosts webinars that are free for members featuring the most relevant topics to healthcare districts.

All webinars are recorded and made available for members to watch at any time on demand.
